

# GLASS TEXTILE DESIGN2WALL LATEX 260

matt 2523, 270 g/m<sup>2</sup>

A highly robust glass textile wallpaper for solvent- and latex inks, that not only covers cracks perfectly but it also protects against knocks and bumps, hindering the formation of new ones. A lively surface which can be processed leaving no visible seams. The product is treated with flame retardant and B-s1, d0 certified, which is especially important for commercial use.

## Advantages

- Extremely robust surface
- Scratch and knock resistant
- Reinforcement for damaged walls
- Tear resistant
- Dimensionally stable / no stretching
- Dry strippable
- Easy to cut
- Fire classification B-s1, d0
