

CREATIVE TEXTURED PAPER 320

matt 3317, 325 g/m²

Acid-free, textured premium cotton paper for fine art prints

Creative Textured Paper 320 is a textured, matt paper for art prints, manufactured exclusively from cotton fibres. This paper is extremely resistant and suitable for use with aqueous and latex printers. Its lightly textured finish makes it ideal for creating distinctive art prints, reproductions and artistic photos. The natural colouring of the paper is like that of traditional artist paper. Due to the 320gsm weight this product is rigid and is particularly suitable for further processing. Creative Textured Paper 320 is also suitable for sheet fed printing with DryLab inkjet printers.
