The Xerox® Wide Format
6605™ Solution
Great image quality, proven
reliability, multifunction workflow—
all in one small footprint

The low-volume, colour scanning, wide format solution for your big projects

The Xerox® Wide Format 6605™ Solution gives you in one low-volume single footprint solution, the best user-friendly, high-quality, productive, flexible and reliable system in its class.

Built on our solid, award-winning print engine technology, our 6605 delivers powerful copying, printing and scanning performance at an attractive price. And it's so easy to use. The 15" (381 mm) colour touch screen features a straightforward interface with intuitive menus, making it simple for even the casual user to operate for walk-up and decentralised applications.

The scan preview capabilities help you avoid wasted prints by enabling you to preview scan quality before you leave the scanner or scan the next original.

The Xerox Wide Format 6605 Solution meets your CAD digital monochrome needs with impressive 5 A1 per minute print speeds to meet demanding deadlines; 600 dpi copy, scan and print resolution to meet the most

critical customer requirements; and wide media flexibility to handle all your substrates. Built to fit where you work, its compact size lets you run big projects in small places, enabling you to place the 6605 just about anywhere your jobs need to get done. Easily field-upgradeable, the 6605 is an investment that can adapt as you need it to, while you grow your business and revenue.

Designed for demanding wide format applications like these:

- Architectural or construction plans
- Architectural or engineering renderings
- Schematics
- Electrical diagrams (e.g., wiring)
- Mechanical 2D
- Solids modeling
- Mechanical 3D
- Scientific/medical
- Seismic
- GIS/mapping

Your nearest Xerox-authorized wide format reseller is:

Simple, intuitive menus quickly turn even casual users into experts to maximise the productivity of any workflow.

Integrated FreeFlow Accxes Controller and print driver deliver production-level performance for today and the future.

A small footprint and front-exit paper path lets you put the 6605 where you need it.

Colour capable 600 dpi scanner to enable remote colour workflows.

Scan-to-mailbox, net or remote printer options are available for added functionality.

The 6605 is completely upgradeable, letting you enhance its features and performance as your needs grow.

Get sharp, clear images—print after print

Your important prints, scans and copies deserve nothing less than superior image quality. Count on sharp, precise detail and uniform greyscales and solids on even the most complex engineering, architectural and schematic renderings.

Outstanding performance

The 6605 consistently delivers the kind of printing speed and versatility that produces up to 5 A1-size prints per minute using drum and toner technologies on outputs up to 914.4 mm wide and up to 15 m long. You'll enjoy reliable copying power that supports even the most demanding requirements, allowing you to choose features like collated sets or multiple levels of copy density and save time with Job Recall. And the 6605 offers enhanced colour scanning flexibility. Its on-board colour capable scanner enables remote colour workflows with a precise colour calibration process. You'll be able to convert scanned files to a variety of formats, allowing you to share, store or print files anywhere on your network.

This printer has a fully-integrated user-friendly controller with full network connectivity and Windows. The FreeFlow Accxes Controller allows for accurate rendering, is compatible with current workflows and is upgradeable. The 6605 has a comprehensive competitively priced media and supply portfolio to enable an overall low total cost of ownership.

Designed to work the way you do

Choose the Xerox 6605 solution that best fits your specific job and workflow requirements.

- A digital copier and printer with scan-to-net capability, it is a complete multifunction system that offers full mobility of documents—from workstation to printer and from printer to workstation.
- Its standard printer output tray holds up to 20 A1 size prints, and with the option to add an online folder for a more efficient work process that improves turnaround time.
- It comes equipped with a standard one roll media drawer and single cut-sheet inserter with an optional second roll media drawer to enable roll and cut-to-size media flexibility where needed.

FreeFlow® Accxes® Controller for current and future workflows

FreeFlow Accxes Controller adds productivity-enhancing features making the 6605 a versatile solution for your needs today—and beyond. By fully integrating the latest in FreeFlow Accxes Controller technology, you gain efficiencies such as concurrent print, copy and scan-to-mailbox with select options. FreeFlow Accxes Controller gives you:

- Concurrency—Receive and RIP a job, print, copy or scan, retrieve scans and view the Web Printer Management Tool simultaneously.
- Easy-to-use client software—Utilise tools like the Document Submission Tool that make printing complex jobs, scanning and system administration simple.

- Media mapping/auto rotation—Automatically copy or print any image onto any loaded paper.
- Copy from memory—Reprint and resize copy job without rescanning.
- Sample copy—Print a portion of an image for validation without printing the entire print.
- Image overwrite—Image files are automatically erased for security.
- InstantAccxes—Drag and drop documents into Hot Folders for a streamlined workflow from anywhere on the network.
- TotalAccxes—Scan documents using the on-board colour scanner and print to a selected remote printer.
- Closed Loop Colour Calibration—Allows for quality scans in 3 customer selectable calibration modes.
- Scan preview—Scanned jobs are immediately viewable preventing any scanning errors and potentially wasted prints.
- Queue Management—Allows for greater job control and workflow efficiencies.

The total support you need

We support your entire solution, from printer to media and consumables. Our worldwide network of award-winning service professionals is always ready to help you make the most of your Xerox solution and help you grow your business.
