

# HP Heavyweight Coated Paper

## The HP DesignJet printing system—the complete solution

HP DesignJet printers, Original HP inks and printheads, Original HP printing materials and HP Scitex printers, are designed to work together as a system to provide reliable, consistent results with every print.

## Accomplish more with consistent results

### Produce high-quality, fast-drying results

Roll or stack your time-sensitive documents right off the printer. Ideal for rich, color-accurate prints, working comps, and design proofs, this heavyweight paper is easy to handle and provides high-quality, consistent results. From line drawings to illustrations and light ink-density graphics, see high-quality, consistent image quality print to print and roll to roll.

### Improve your response time

Handle prints with confidence right off the printer. An enhanced coating provides ink abrasion resistance to help you deliver on quick turnaround times.

### Do more, with the environment in mind

Gain versatility with this premium bright white paper. From working comps and design proofs to fine line drawings and illustrations, meet the project needs and the environmental objectives of your company and clients with this recyclable paper,<sup>1</sup> FSC®-certified paper.<sup>2</sup>
