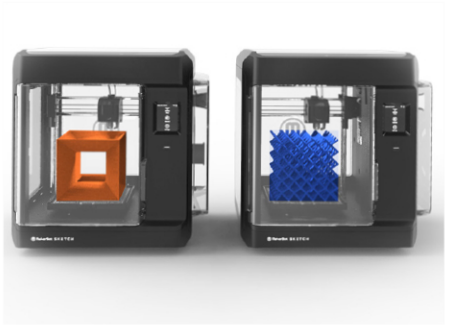
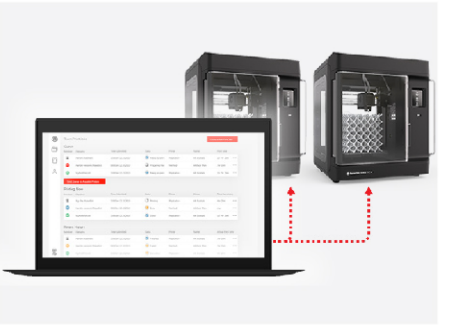
MAKERBOT SKETCH CLASSROOM



DUAL PRINTER SETUP
Get started with two printers and complete your classroom printing faster, make 3D printing more accessible to your students and boost the opportunities for student innovation.

THE MAKERBOT CERTIFICATION™ PROGRAM
More than just learning about printer operation. Certify your students in real world problem solving through design thinking and 3D printing. Get access to a full set of interactive content, projects, quizzes and exams developed by MakerBot Certified Educators.



MAKERBOT CLOUD™
Make the classroom 3D printing experience even easier with our cloud-based, 3D printing file management software. Students submit their designs without issue, and teachers queue up their classroom prints with ease.
